

# HOW TO GET TO BELLAGIO BY PRIVATE BUS

**IMPORTANT** Please note that the Como – Bellagio road ( 32 Km) and the Lecco – Bellagio road ( 22 km) are prohibited because they are not wide enough for large coaches over 9 meters long with 50 seats.

**We remind you that due to traffic limitations in Bellagio, Navigazione Laghi is not allowed to board coaches over 12 meters and in case large coaches get to Bellagio by a different road, they are not allowed to get to the city centre.**

There are 3 other ways to reach Bellagio depending on where you are coming from:

## **FROM LECCO:**

From Lecco, head towards Varenna (25 Km) where you can take the ferry to Bellagio (coaches and/or passengers only) or travel by boat or hydrofoil ( passenger only).

Coaches are not necessary for visiting the centre of Bellagio.

## FROM COMO OR LECCO: SUGGESTED ROAD

From Como or Lecco head toward Erba, Asso, Magreglio and Civenna. You can reach the centre of Bellagio by crossing the mountainous part ( Erba- Bellagio 25 Km). The road is in good condition and has a pleasant view.

The car park for buses is situated close to the village cemetery, in Via Vallassina, on the way to the suburb of Pescallo. You can reach the centre of the town on foot in approx. 5 minutes walk.
