## BELLAGIO:

---

Few places are as romantic as Lake Como, and even less resorts are as beautiful as Bellagio. Called the "Pearl of the Lake", Bellagio's world class hotels and restaurants provide the perfect place to soak up the lake's famous panorama. The village is characterised by century-old buildings, stone lanes and picturesque cobbled stairways filled with shops showcasing the finest Italian wares.

Follow one of our historic walking tours for an insight into days gone by, or treat your taste buds to the fresh fruit flavours of gelato – or the wonderful aromas of café - of the kind found only in Italy. A wonderful climate to relax, take part in sports or lake activities against the backdrop of this stunning lake and it's magnificent villas.

### 1-VILLA MELZI

## COMO:

Capital town of the lake – Particularly interesting Cathedral from the end of the 14<sup>th</sup> century, the Romanesque church of San Fedele, the Voltian Temple (replicas of apparatus used by Alessandro Volta, inventor of the battery and pioneer of electricity), Civic Museum of Archaeology and the magnificent Villa Olmo on the lakeside.

Funicular railway to Brunate for breathtaking views over the town.

### 10-VILLA OLMO

The villa is a fine example of imposing neoclassical architecture. Started at the end of the 18<sup>th</sup> century and concluded in 1812 by the Marquises Odescalchi, it passed to the Raimondi family, then to the Visconti di Modrone and in 1925 to the Municipality that used it as a venue for cultural events and art exhibitions. Villa Olmo is certainly the most impressive among the villas of Lake Como. It consists of a vast complex that in addition to a large park includes several buildings. These include the central body of the villa, currently used for exhibitions, the northern side wing, the southern and

northern casinos, the greenhouses, the Tennis Como complex that occupies the southern side wing of the villa, the international hostel and the beach.

Opening: From Tuesday to Sunday, from 10.00am to 6.00pm - Free admission.

Sala del Duca on the first floor can be visited during the above times with the accompaniment of the cultural operators. Foreclosed access in conjunction with temporary exhibitions and events.

The park is open to public as following:

- from October 1st to April 4th - every day - from 7 am to 7 pm
- from 5th April to 30th September - every day - from 7 am to 11 pm

## 11-FUNICULAR AND BRUNATE LIGHTHOUSE

Brunate on Lake Como is a very popular small holiday resort, entering the town you immediately notice the indication for the funicular station, on the left an incredible view of Lake Como, while from the square behind the station you can admire the alpine arch and Brianza with its lakes.

Numerous walking tours depart from Brunate, 2 KM away. You can reach S. Maurizio, where in 1927 the Voltiano lighthouse (octagonal tower 29 M. high) was built, visible from most of Lake Como and from where a vast panorama of the Alps and Monte Rosa opens up.

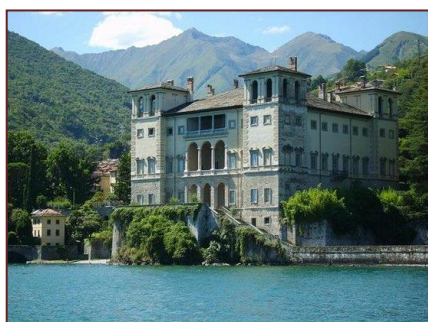

The funicular railway is an evocative route, drawn in a straight line on a hilly slope with a maximum slope of 55% on a rail of 1084 meters, currently covered in 6 minutes and 30 seconds with the possibility of two intermediate stops: Como Alta and Carescione at the request of travelers.

## GRAVEDONA:
