

PARKING IN BELLAGIO

In Bellagio, like all other small towns, parking the car is sometimes a problem. The various maps of the town show parking areas in the center and nearby.

To make it easier for you to understand the information, the free parking shown on the maps with green lines have white lines on asphalt in reality and you can leave your vehicle here free of charge, even for several days. Pay and display car parks have blue lines on asphalt. The price is €1.50 per hour and payment applies only from 8 am – 8 pm. Payment is made at the automatic machines (you can pay cash or by credit card: Visa, Mastercard, Jcb) situated near the parking areas and tickets must be placed where they can be clearly seen on the dashboard, to allow traffic wardens to check that payment has been made. These are denoted on the map by a P on a blue background or blue line.

Finally, we would like to remind you that parking areas with yellow lines are reserved to the categories as specified by road signs (residents-disabled people-police, etc...).

BELLAGIO

LAKE COMO

From April to October everyday (in March and November just on holidays and pre-holidays) from 9.50 am to 6.30 pm, the historic center of the village becomes a pedestrian area and access is controlled by a monitoring system. Guests staying in hotels in this area (see the whole area of the road in red on the map of the historical center) have to register their car upon arrival in order to let the hotel forward the registration to the competent authority. In case of non-reporting of this information within 48 hours, there will be a penalty to be paid.

On the map of the peninsula, you will see white Ps against a blue background, showing the parking areas (some free and some on payment) outside the center of Bellagio.

We would like to inform all tourist buses that there is a free parking area close to the village cemetery, in Via Vallassina, on the way to the suburb of Pescallo.

Motorhomes can be parked where not explicitly prohibited, with the limitation that they should not exceed marked spaces. There are no parking areas equipped for motorhomes.

Have a great stay!
